FACULTY WOMEN'S CLUB ENTERTAINS

## RECEPTION FOR COLLEGE STUDENTS

Members of the Faculty Women's Club entertained a group of college students at a reception held at the club on Monday night. The guests were greeted by Miss Mary Helen Logan, who met the guests in the hall and introduced them to Mr. and Mrs. Paul Meek, who headed the reception. The others in the receiving line were Mr. and Mrs. Newell Thompson, Mr. and Mrs. J. E. M. Mahan, Mr. and Mrs. George Horton, Mr. and Mrs. Earl Knepp, Mr. and Mrs. David Allen, Dr. and Mrs. Wendell Landbeck, Mr. and Mrs. Irene Stanford, Miss Mary Vick Barney, Mr. and Mrs. Paul Bing, Miss Helen Hawkins, Miss H. A. Patterson, Mrs. Lucille Reed, Miss Nina Swindler, Mr. and Mrs. J. Paul Phillips, Miss Billie Caldwell, Dr. and Mrs. Carroll Bryant, Miss Helen Watson, Miss Mary Spencer, Mr. and Mrs. John M. Decker, Dr. H. H. Knoll, J. R. Decker, Dr. Chavens, Joe Black Hayes, and Sam Garner. Misses Virginia Barr, Marjorie Ensign, Mary Eustace, Mary Elizabeth Egan, Mary Evelyn Smith, and Martha Evans assisted in serving the refreshments and entertaining the guests. During the evening, Miss Lucille Robertson played a number of records.

## MISS HAWKINS HONORED

Miss Helen Hawkins, who is now a member of the Faculty Women's Club, was honored at a luncheon given by the club on Monday night. The guests were greeted by Miss Mary Helen Logan, who met the guests in the hall and introduced them to Mr. and Mrs. Paul Meek, who headed the reception. The others in the receiving line were Mr. and Mrs. Newell Thompson, Mr. and Mrs. J. E. M. Mahan, Mr. and Mrs. George Horton, Mr. and Mrs. Earl Knepp, Mr. and Mrs. David Allen, Dr. and Mrs. Wendell Landbeck, Mr. and Mrs. Irene Stanford, Miss Mary Vick Barney, Mr. and Mrs. Paul Bing, Miss Helen Hawkins, Miss H. A. Patterson, Mrs. Lucille Reed, Miss Nina Swindler, Mr. and Mrs. J. Paul Phillips, Miss Billie Caldwell, Dr. and Mrs. Carroll Bryant, Miss Helen Watson, Miss Mary Spencer, Mr. and Mrs. John M. Decker, Dr. H. H. Knoll, J. R. Decker, Dr. Chavens, Joe Black Hayes, and Sam Garner. Misses Virginia Barr, Marjorie Ensign, Mary Eustace, Mary Elizabeth Egan, Mary Evelyn Smith, and Martha Evans assisted in serving the refreshments and entertaining the guests. During the evening, Miss Lucille Robertson played a number of records.

Mr. and Mrs. Tom Craney (the former Martha Nell Carmichael) visited friends on the campus last week.

## Students Working Part Time Need Social Security Cards

Every student who has a part-time job this term should secure a Social Security Account number and immediately, if he or she does not already have one, according to Mr. Joe P. Tipton, Manager of the Dyersburg office of the Social Security Board.

Many U. T. Junior College students are taking part-time jobs in restaurants, stores, soda fountains, filling stations, offices and other establishments covered by the Social Security Act. Each student entering such employment covered by the law must have a Social Security Account number and, Mr. Tipton said.

"The card may be obtained without cost in five minutes by calling at my office in the First Citizens National Bank Building, Dyersburg, Tennessee, between 8:30 a.m. and 4:30 p.m. Mondays through Fridays, and on Saturdays between 8:30 a.m. and 1:00 p.m. Or a blank application may be obtained from the post office here and mailed to the address given above. The age of the worker does not matter. The important fact that the student is working in a place where the employer is required to report his wages to the government determines the need of the Social Security number."

"This number must be shown to each employer for whom the student works. All employers having one or more persons employed are required by law to report to the government every three months the name of each worker, his Social Security number and the amount of wages paid, regardless of how small. The value of meals and room must be reported just the same as cash wages."

A record of wages is kept by the Social Security Board in order to determine the amount of the worker's monthly retirement benefits after age 65, or his family's benefits in case the worker dies before age 65, under the Old Age and Survivors Insurance provisions of the Social Security Act. It is, therefore, important that every hour's pay be credited to the worker's Social Security account, which bears the number on worker's card."

Mr. Tipton added that any student who has had a card, but has lost it, should visit or write his office and arrange to have a new card issued bearing the original number.

## NU KAPPA NU

The first meeting of the Nu Kappa Nu was held in the dormitory Monday night at 10 o'clock. Jamie Lawler read the constitution to the new members. The vice-president, Catherine Riley, was elected for one quarter, secretary-treasurer, Maureen McCalla for the full term, and reporter, Mary Barr, for one quarter. The initiation rules, which were to take effect Thursday and Friday, were read by Jo Burken, the president. Plans were made for the social for this quarter.

## NEW SEASON BRINGS LIBRARY IMPROVEMENT

By the addition of an annex in East Hall, the crowded condition of the book collection in the library has been much relieved. Returning students and faculty members who go to the accustomed places find a slightly different group of books in the North-East section of the Corner Reading Room, but by following the easy lead of the Dewey Decimal Classification scheme, will soon become accustomed to the new arrangement.

Two most noticeable changes are the shifting of the encyclopedia to a position three sections down from their old location and ascending of all the applied science books (the familiar 600 groups) to the old Agricultural Reference Room. Current agricultural periodicals, which it is hoped will soon have a rack of their own, are in these same quarters, and for want of a better place, the juvenile collection finds room here, too.

## Audio-Visual Committee Report

A new committee has been set up at U. T. Junior College headed by S. R. Woods that visual education may continue to be pushed forward and with added emphasis. Other members of the committee are Mr. Allen, Mr. Horton, Mr. McMahan and Miss Spence.

Read this report with interest and get an idea of the program.

### Report for 1940-41

After a number of years study and investigation, having finally received the signal to make a purchase of sound equipment, the committee received bids from three companies, Bell & Howell, De Vry, and Ampco. The price of the complete sound motion picture equipment with strips on film and reverse attachments, two 12-inch speakers, microphone with stand, victrola turntable, crystal beaded screen, film splicer, and extra lamps, was listed at \$611.50. By competitive bids we were able to get this equipment for much less just before Christmas, 1940.

Beginning in January the Industrial Arts department scheduled and showed to its students 20 reels on Internal Combustion Engines, The Manufacture of Steel and Steel Products, Manufacture of Storage Batteries and the Refining of Gasoline and Motor Oils.

The Department of Biology scheduled and showed four reels on Lead and Nickel Mining, Milling, Smelting and Refining, and one reel on plastics and silks, entitled A New World Through Chemistry.

In the interest of aviation and our CPT program we showed to the student body four reels on The History of Aviation, Flagships of the Air, Flying Stewardesses and Operation of Gliders.

In the interest of the university in general, we showed to the student body and to the public on Parents' Day the film, The University of Tennessee at Work.

In the interest of patriotism and national defense, we showed to the entire student body and the civic clubs of Martin six reels on such subjects as America Marches On, Men and Machines, Frontiers of the Future, America, Yesterday, Today and Tomorrow.

For general amusement, and for the agricultural background, we showed the student body one reel on Tobaccoland and Pleasure Time (with Fred Waring and his orchestra).

The total activity for the committee in the winter and spring terms, January through May, covered the showing of 40 reels to 2,000 persons. This was only a trial and is not considered an adequate program by any means. We are anxious to have every department make the most of visual education, not only in sound moving pictures, but in film strips, lantern slides and activities. The committee stands ready to help in any way. We have catalogues of every type of film, film strips, free and costly. We, who overlook the value of visual education, are neglecting a great opportunity to promote our cause more effectively and efficiently.

### DEFERRED RATING

#### FOR STUDENTS

Selective Service headquarters at Washington Monday authorized local boards to defer the induction of college students into the army when immediate induction would cause "undue hardship" because of interference with their work.

At the same time, officials reminded local boards that students preparing for occupations or professions, such as the practice of medicine or engineering, could be deferred to permit them to complete their work. However, there must be a shortage in the occupation for which the deferred student is preparing.

# Lend me a Minute

and I'll give you back 15 seconds

Says PAUL DOUGLAS,  
well-known radio announcer

Somebody whistles a few bars of a catchy tune.  
Others pick it up.  
Soon the whole country's whistling it. *It's a hit.*

Somebody lights up a cigarette.  
Likes it. Passes the word along.  
Soon the whole country's smoking it.  
*It's a hit. IT'S CHESTERFIELD.*

The big thing that's pushing Chesterfield ahead  
Is the approval of smokers like yourself.  
*Chesterfields are definitely Milder,  
Cooler-Smoking and Better-Tasting.  
They're made of the world's best cigarette tobaccos  
Blended just right to give you more smoking pleasure.*

But even these facts wouldn't count  
If smokers didn't just naturally like them.  
Once a smoker finds out from Chesterfield  
What real smoking pleasure is, nothing else will do.  
*Yes, fellow smokers, IT'S YOUR APPROVAL  
THAT'S PUSHING CHESTERFIELD AHEAD.*

Everywhere you go *They Satisfy*

## Junior College Football Dates

Coach Hug Announces Plans for  
Season—Camp Opened Sept.  
19th—Schedule of Games

Football camp at the University  
of Tennessee Junior College opened  
Friday, September 19.

"Defense work, jobs, and matrimony have hit me hard," Coach Hug stated. "Naturally the hardest blow sustained is from war. The defense program is hitting all colleges hard, and we are no exception. Among those who should be returning to school but won't show up this season are the following boys: Paul Bell of Martin, who is in defense production in Memphis; Louis Boyd, Henderson, who is working in Knoxville; Tom Craney, Big Sandy, who got married; Ray Robertson of Westmoreland, who is in the draft; and we have three who are ineligible, Billy McCaleb, Willis Wiley and Joe Westbrook. All of these were letter men."

Loss of such key men is certain to injure the team; but inasmuch as the matter is general the Junior Vols should suffer no worse in proportion than other schools, Coach Hug thought.

"Out of the eight games scheduled," Coach Hug went on, "we figure we should take four."

The official schedule for the approaching season appears below.

The following is a list of the men that Coach Hug expects to report on September 19:

Sophomores: Otey Bratton, Shady Grove, g; Joe Carter, Wynnburg, b; Doyle Cothron, Hillsdale, b; L. B. Gray, Covington, g; Penn Mohon, Ripley, g; Myers Parsons, Christiana, e; William Rust, Huntingdon, g; William Vincent, Mar-

tin, b; Ray Porter, Greenfield, b; Charles Scobey, Newbern, g; Osco Shepherd, Centerville, t.

Freshmen: Billy Bob Arnold, Martin, b; Arthur Alexander, Paris, e; William Baker, Big Sandy, g; Luke Burkett, Newbern, b; James Akers, McKenzie, g; Gilbert Collier, Martin, b; Gene Faris, Camden, b; Warner Fisher, Sharon, e; Marshall Fields, Dickson, t; Charles Fite, McLemoresville, g; David Gentry, Franklin, b; Ted Gibson, Whitehaven, b; Ed Goff, Jackson, g; Charles Gordon, Rockdale, e; Brown Hopper, Troy, e; Buddy Huffman, Brighton, g; Earl Killion, Union City, e; Ira Long, Trenton, e; Guy Looney, Huntingdon, b; Joe Mann, Brownsville, b; Joe McAdams, Huntingdon, g; James McAdoo, Union City, e; James McKinney, South Fulton, e; Jasper McWilliams, Waynesboro, b; Harbert Mulherin, Brownsville, b; Linton O'Brien, Bellevue, b; John Owen, Huntingdon, b; Tom Prewitt, Bolivar, e; Bill Ross, Cottage Grove, g; Bill Taylor, Union City, b; Karl Warren, Martin, c.

Following is the schedule of games for the season:

Tuesday, October 7, 8:00 p.m.—Memphis State Freshmen at Memphis.

Friday, October 10, 8:00 p.m.—Murfreesboro Teachers Freshmen, Martin.

Friday, October 17, 8:00 p.m.—Austin Peay Normal, at Martin.

Friday, October 24, 8:00 p.m.—Lambuth College (six man), at Martin.

Friday, October 31, 8:00 p.m.—Northwest Mississippi Junior College at Senatobia.

Friday, November 7, 8:00 p.m.—Murray State Freshmen at Martin.

Saturday, November 15, 2:00 p.m.—Carbondale Teachers at Carbondale, Ill.

Friday, November 21, 8:00 p.m.—Bethel College (six man), at Martin.

## CHEMISTRY AS A VOCATION SUBJECT OF CLASS REPORT

The question "Why study chemistry?" is being answered for students of Chemistry 111 under the guidance of Dr. Wendell A. Lindbeck. From a list of seventy selected references, each student is reading and digesting for class report an article on some phase of vocational activity in the chemical field.

Under the headings, Agriculture, Foods, Teaching, Biology, Women in Chemistry, Industrial Chemistry, and Miscellaneous, the possibilities of future advancement for chemists and for our civilization through chemistry are presented. As an interesting basis for the year's study, Dr. Lindbeck has selected popularized readings in the history of chemistry for his library reserve shelf.

## MRS C. C. CRAVENS REGAINS HEALTH

The many friends of Mrs. C. C. Cravens will be glad to know she has fully recovered from a serious illness of four months and is able to mingle with friends again. Mrs. Cravens has endeared herself to Martin people by her unselfish work in religious, social and civic affairs during her residence here. Cards from friends in 30 different states and many beautiful floral offerings emphasized the love and esteem centered around her.

Mr. James Glasgow, Mr. Harry Deaton and Mr. Harvey King left Thursday for Maxwell Field in Alabama, where they go into the Army Air Corps.

## FACULTY-FRESHMAN DINNER

One of the most enjoyable social events of the current school opening calendar was the faculty-freshman dinner at the Junior College dining hall Monday evening, September 22, when practically the entire faculty and freshmen who had arrived on the campus at the first of the week met to enjoy one of Mrs. Patterson's excellent meals. J. Paul Phillips acted as master of ceremonies, and he introduced the members of the faculty and speakers with his accustomed witty comments. Two faculty members were generally assigned to each table, with others, six in number, made of mixed sophomores, who were showing freshmen around, and freshmen. Among those who spoke were Coach Hug, who discussed briefly matters pertaining to athletics; Mr. Knepp, who discussed the value of a well-rounded student program in college life with a correct balance between the solid foods, such as studies and the vitamins such as social activities; and Mark Wilkinson, president of the All-Students' Club, who welcomed the incoming freshman class to the Junior College. An estimated two hundred were present. Music was furnished by the college orchestra, under the direction of O. T. Parrish.

## NEW ADDITION TO

U. T. J. C. GRIDIRON

Several new additions to the Junior Vols made their appearance last week, according to Coaches Hug and Hayes. Among the boys reporting were the following: Julian Brock of Greenfield; Ray Porter of Greenfield; Harbert Mulherin of Brownsville, and B. W. McClard of Lafayette.

Pre-season practice continues with two work-outs daily. Each session is progressively harder and the boys should be in shape by the time of the opening of the season with the game October 10 with the Murfreesboro frosh.

The first injury of the practice period turned up this week. Luke Burkett, 160-pound triple-threat back from Newbern, sustained a sprained ankle. Penn Mohon, tackle from Ripley, reported with an injured knee, which he received in working out with the Ripley high school team, of which he was a former star.

But Coach Hug was not pessimistic. "A certain amount of injuries of a minor type are always to be expected in football camp. We will go right on whipping the boys into shape, in hope of delivering winning stuff when the season gets under way," Coach Hug stated.
